

Dengrove Studios **Standard Price List**

Photography Session

Sitting/Session Fee..... \$75

This is a required fee for securing your photo session.

Location Fee..... \$50

If you would like your photo session to take place in an outdoor public location such as a park or beach.

Shooting Time..... \$75/hr

Photographer's hourly rate for your photo session. The fee applies only to actual time spent in front of the camera rounded up to the nearest hour. You are never charged for set-up time, or time spent changing clothes and makeup.

Scene/"Look"..... \$30/ea

Refers to each different scene, background change, or change of clothes, that occur during your photo session. Each time a scene changes, lights need to be re-adjusted and camera settings need to be changed.

Digital Services

Low Resolution Digital Image..... \$10/ea

Each digital image will be professionally finished, of a size equivalent to an 8" x 10" at 72dpi resolution. This means that the digital image will look great on your screen, but will not be of high enough resolution for you to print from.

Retouching Services

Basic Retouching..... \$30/ea

Includes removal of blemishes, fly-away (stray) hairs, smoothing skin and evening out skin-tone.

Full Glamour Retouching..... \$60/hr

Want to look thinner? Have your wrinkles removed? Give your photo the same pop as a glamour model? The sky is the limit when you choose custom retouching.
